The Divine Flow of Life

Allahabad

The City of Offerings

Allahabad - a place where spirituality emits from every nook and corner. Almost every place, location and structure, and even their names, has a spiritual connection. Rivers too, are not untouched by the same and thus, worshipped here. Mere passing of a holy river through a region makes that region spiritual, what to say of a place which is the confluence of three main Indian rivers - namely Ganga, Yamuna and Saraswati. While, the first two are physically present, river Saraswati is present ethereally.

In this same pious land, we proudly present Rudra Sangam, the high-rise apartments based on the confluence of three rivers reflecting the main ideologies of Rudra Group-quality, luxury and passion to recreate a world of difference.

DEVELOPING SPACES PASSIONATELY

Rudra Group is one of the fastest growing real estate development brands in North India with almost two decades of in-depth experience as a Builder & Developer. We are an ISO 9001:2008 certified company and a member of CREDAI & IGBC.

The group began its journey from Varanasi, India's holy city and subsequently expanded its footprints to Allahabad, Kanpur, Lucknow and Gorakhpur-all nascent and booming centres of North India.

It is now surging ahead at a rapid pace and planning to develop a pan-India presence starting with Delhi-NCR. Notwithstanding the national developments, the goal is to never lose sight of two things that separate us from the rest of the industry - putting emphasis on quality and giving clients the maximum "bang for the buck" with on-time possession.

CORPORATE OBJECTIVES

Mr. Arun Agrawal is the Promoter and Managing Director of Rudra Group. Mr. Agrawal is the young face of Rudra who expertly handles the day-to-day operations of the company ensuring world class construction and timely possession of the projects.

M/s Rudra Navnirman Pvt. Ltd. is being benefitted with the valuable experiences of Mr. Balram Das Taksali.

Rudra Sangam
The Merger of Values

The name Sangam depicts more than just its literal meaning. More than just a confluence of three rivers, it denotes three dimensional thinking. Perceived as a young dynamic brand, we carry a history of providing the superior quality and features. With Rudra Sangam, we are coming up with an ADA approved high - rise apartments with amenities to look up to, literally.
